Breathtaking new construction apartment with a 10-metre-wide façade

169 m² | 3 slaapkamers | 3 badkamers

Elizabetlaan 126/2.1+2.2, 8300 Knokke

€ 1.685.000

Aquatic is an exclusive new-build residence located on Abraham Hans Square in Knokke, where an exceptional location, contemporary architecture and outstanding living comfort come together in perfect harmony.

The residence comprises luxurious apartments, designed with meticulous attention to premium finishes, energy efficiency and timeless elegance. Thanks to its central location, Lippenslaan, Lake Zegemeer, the Casino and the beach are all within walking distance. Residents also benefit from private parking spaces accessible via a car lift, a spacious bicycle storage room, and sustainable technologies such as heat pumps and underfloor heating.

Layout of the apartment (occupying the entire second floor of the residence):

The entrance hall with cloakroom and guest toilet leads into an exceptionally spacious living area, where an elegant lounge, dining area and open-plan kitchen blend seamlessly together. A practical storage room is conveniently located adjacent to the kitchen. With an impressive façade width of no less than 10.20 metres, the living area enjoys abundant natural light and an exceptional sense of space, making this apartment truly one of a kind.

The living area opens onto a sunny terrace measuring more than 9 metres in width.

The apartment features three full-sized bedrooms, each with its own en-suite bathroom or shower room. The bedrooms also provide access to a second, equally generous terrace, also exceeding 9 metres in width. As the residence is still in an early stage of construction, the layout can still be fully customised in consultation with the developer to suit your personal preferences. This includes the possibility of creating a fourth bedroom if desired. The apartment will be finished to the highest standards in accordance with the specifications, with exceptional attention to detail and craftsmanship.

Aquatic offers a unique lifestyle on the Belgian coast, where tranquillity, luxury and the vibrant atmosphere of Knokke are perfectly balanced.

Please contact us for further information, to consult the construction plans or to receive the specifications.
